Government at every level in this country continues to be too big, too intrusive and too expensive. The Republican Liberty Caucus exists to promote limited government.

Our Purpose

The Republican Liberty Caucus works to elect pro-liberty Republicans to offices at all levels, partisan and non-partisan, in both primary and general elections.

The Republican Liberty Caucus is committed not to just electing more Republicans ... but better ones, as well.

The Republican Liberty Caucus works to advance the principles of limited government, individual liberty and free markets within the Republican Party and throughout the United States.

Our candidates focus on a broad range of issues, including education, taxation, property rights, gun rights, free speech, federalism and the proper role of government.
